Install the coReel Chrome Extension

Chrome Extension · https://coreel.ai/help/install-the-myvideo-email-chrome-extension/

The coReel Chrome extension is currently in pre-release and not yet listed in the Chrome Web Store. Use the steps below to download and install it manually in Chrome.

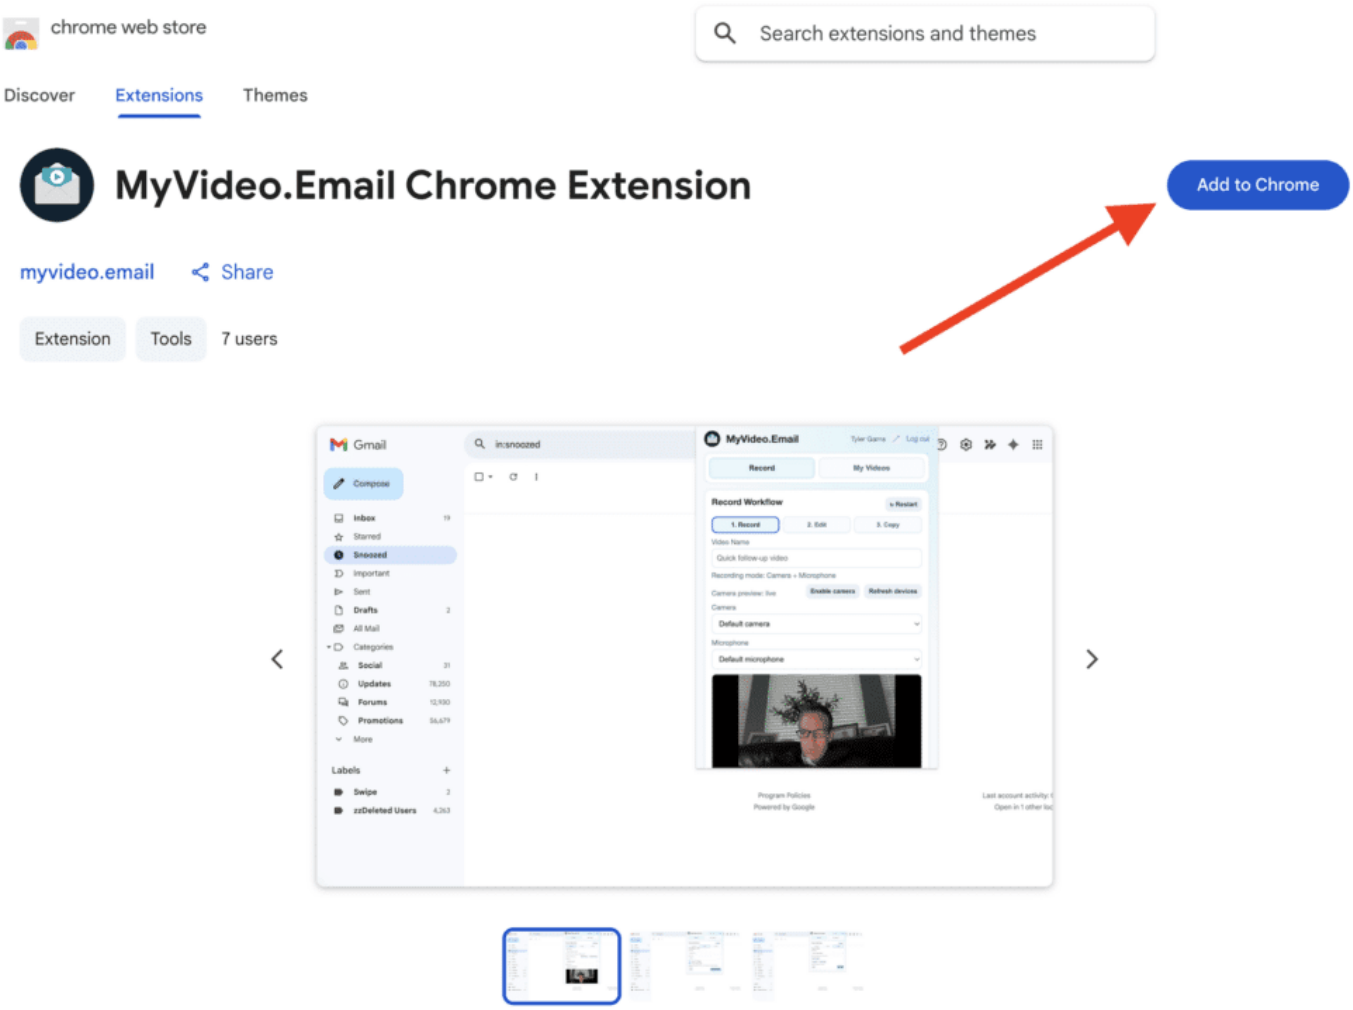

Before You Start

- Use a desktop/laptop computer with Google Chrome installed.
- You must have a coReel account and login.

Step 1: Go to the Chrome Web Store

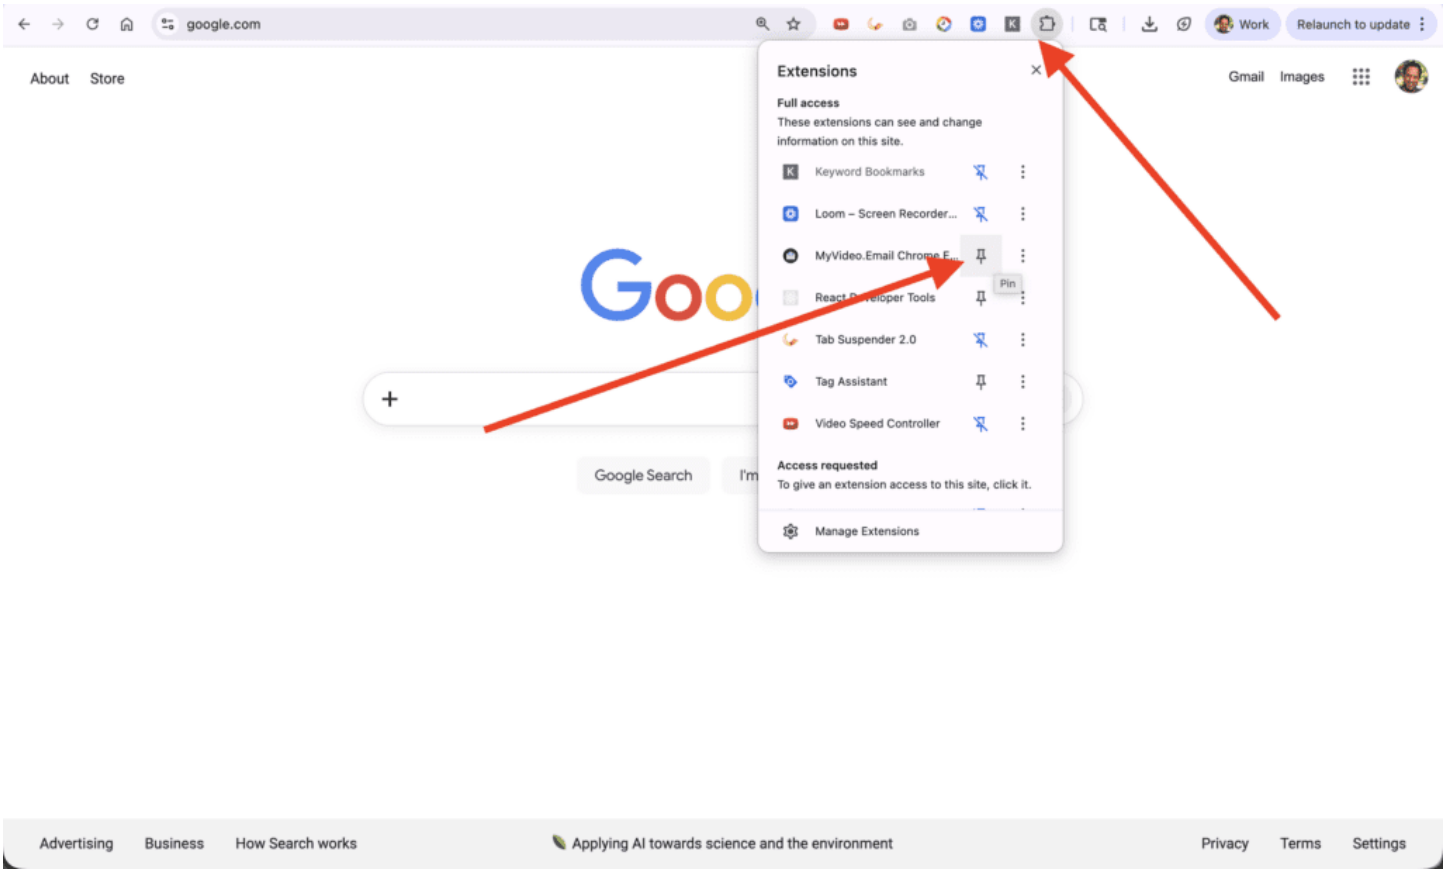

Visit Chrome Web Store

1. Click "Add to Chrome"
2. Install the extension

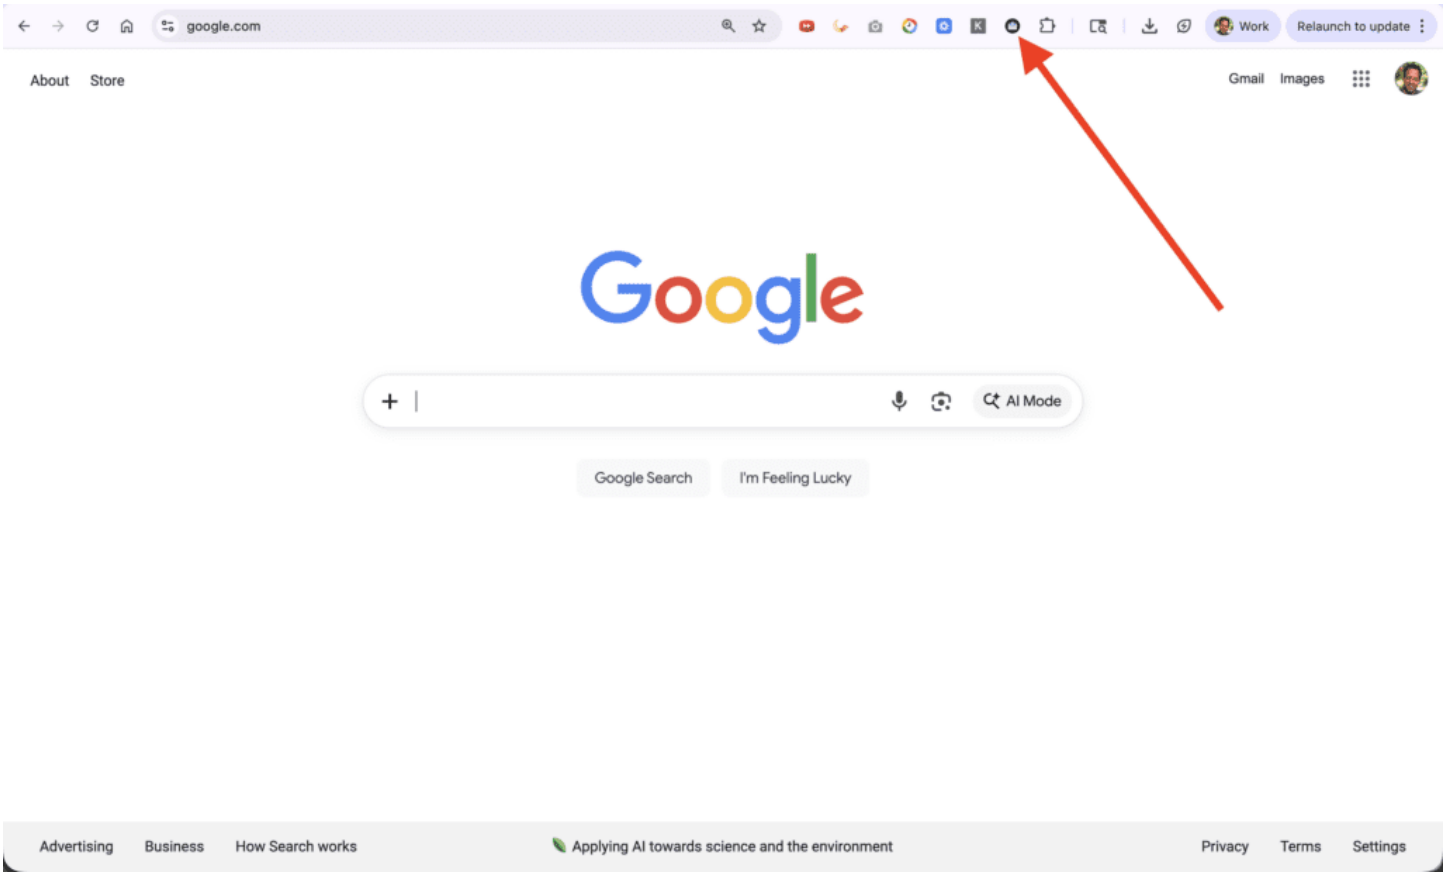

Step 2: Pin the Extension

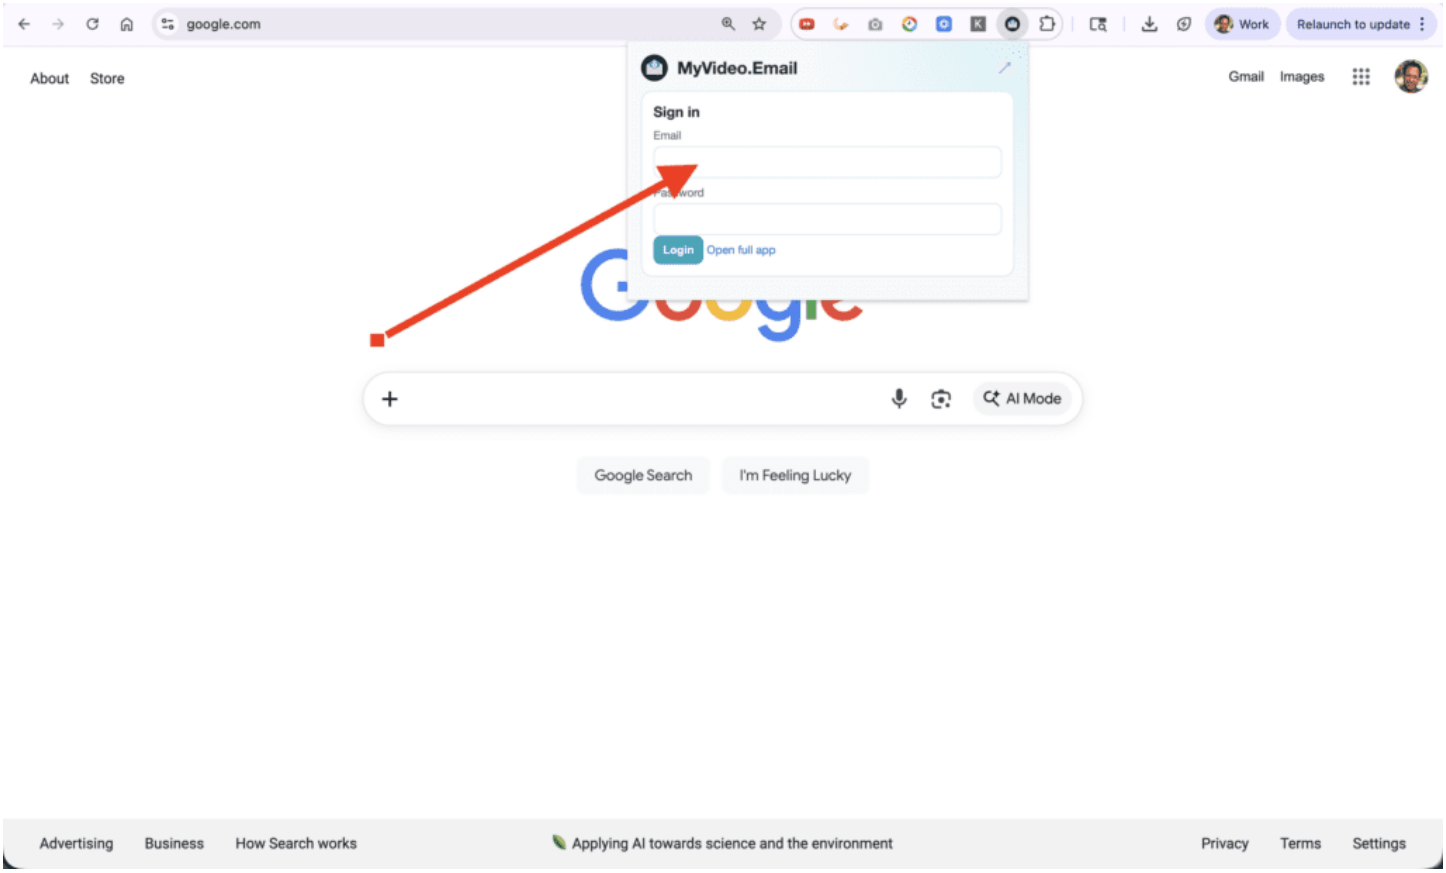

1. Click the puzzle icon in Chrome toolbar.
2. Find **coReel**.
3. Click the pin icon so it stays visible.

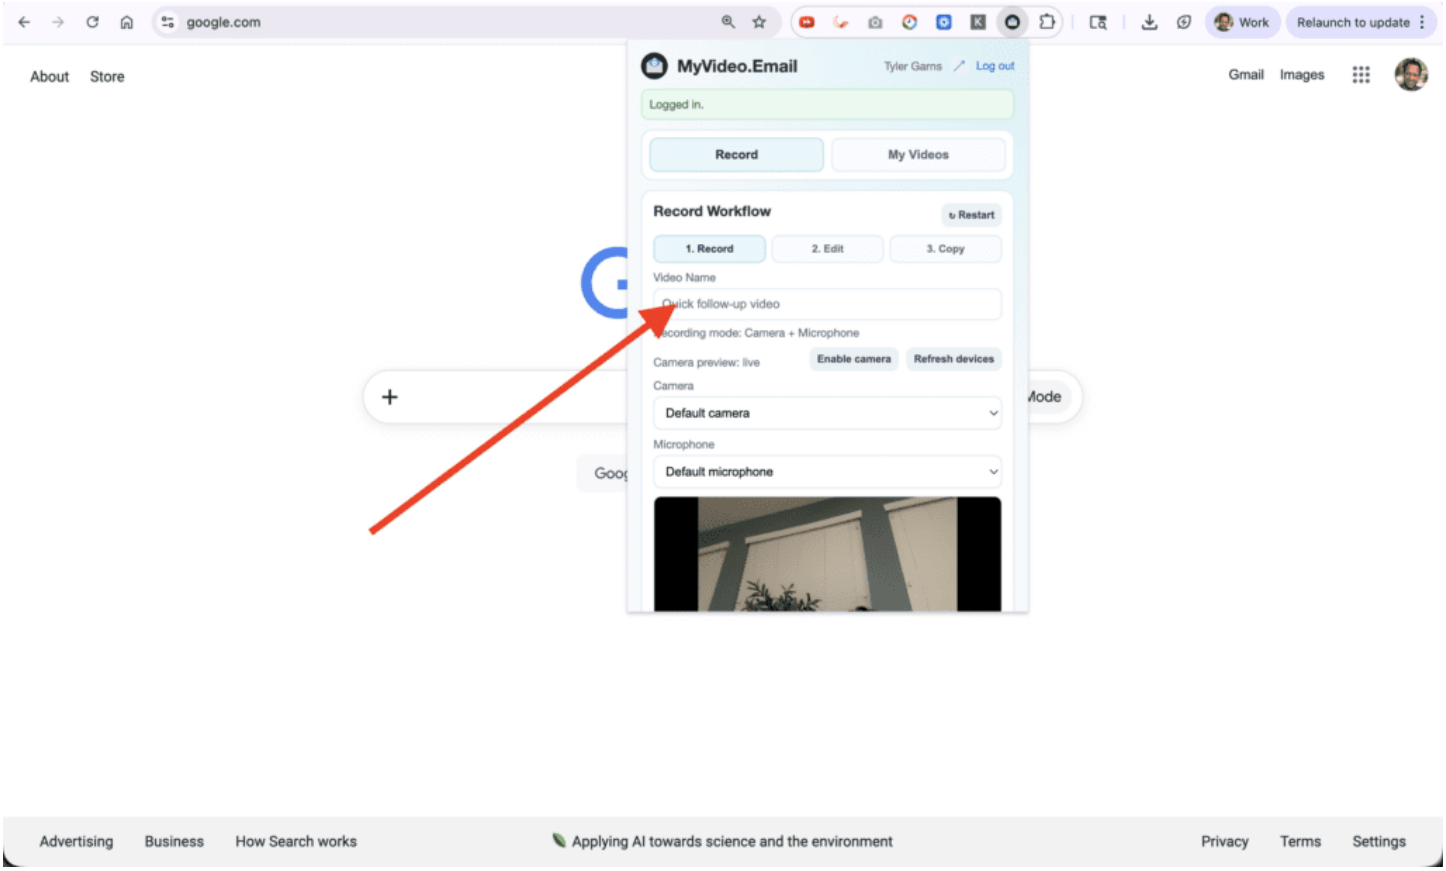

Step 3: Open and Sign In

1. Click the coReel extension icon.
2. Log in with your coReel account.
3. If prompted, allow required browser permissions (camera/microphone).
4.

Updating to a New Version

The extension will automatically update when new versions are available.

Uninstalling the Extension

1. Go to chrome://extensions.
2. Find **coReel**.
3. Click **Remove**.
4.

Troubleshooting

- **Camera/mic not working**: Check Chrome site/extension permissions and retry.
- **Extension seems out of date**: Remove the extension and reinstall from the Chrome Web Store.
-
